## INSIDE THE ENERGY CODE

NEWPORT VENTURES

### **DOE Building Energy Codes Webinar Tomorrow!**

#### **Energy Code Commentator Training Series: 2015 IECC- Energy Rating Index (ERI) Compliance Alternative**

Join the US Department of Energy's Building Energy Codes Program tomorrow for a webinar on the newest method of compliance with the 2015 International Energy Conservation Code. This webinar will cover the requirements of the Energy Rating Index (ERI) path that gives builders yet another option for compliance. Builders now have the option of meeting a target ERI score through a wide range of performance options to demonstrate compliance. This course will also cover how the new compliance path can be implemented into current plan review and inspection processes for Code Officials and resources available to assist with construction best practices.
